Inside Sales: Gena Davis – 713-782-5229 / [gdavis@bolinsales.com](mailto:gdavis@bolinsales.com)

## ***Transformers and Accessories***

### **VANTRAN INDUSTRIES, INC.**

Liquid filled transformers thru 10,000 KVA three phase and 1667 KVA single phase. Primary voltage thru 34.5 KV, 200 KV BIL. Padmount, Substation, Polemount, Custom and Specialty designs.

### **HYUNDAI HEAVY INDUSTRIES**

Liquid filled transformers 10 MVA thru 1300 MVA. Primary voltage thru 800 KV. Dry Type Cast Coil transformers thru 8 MVA and 30 KV.

### **FILNOR, INC.**

Power Resistors, Neutral Grounding, Dynamic Braking, Load Banks, Harmonic Filtering Resistor Banks, Knife Switches, Custom High Current Switches, Control Panels

## ***Switchgear***

### **HYUNDAI HEAVY INDUSTRIES**

5 – 15 KV Arc Resistant Switchgear. 38 KV Gas Insulated Switchgear.

### **LAKE SHORE ELECTRIC**

Automatic and Manual Transfer Switches and Switchgear. UL 1008 Listed. Standard and Custom Designs from 208v. thru 27 KV. Service Entrance Rated Transfer Switches. Paralleling and Generator Control Switchgear.

## ***Bus Duct and Iso Phase Bus***

### **TECHNIBUS**

Metal Enclosed Bus Duct - 600v. thru 38 kV Class. Non-seg and Segregated. Standard and Custom Designs. Isolated Phase Bus – 15kv thru 36kv, 1200 to 52,000 Amp .

## ***AC UPS, DC Power Supplies, Batteries & Chargers***

### **ALPHA INDUSTRIAL POWER / MTI TECHNOLOGIES, INC**

AC and DC UPS systems. AMPS 80 and AMPS 24 Series of modular Switchmode UPS. Outdoor UPS. NiCad and Lead Acid (Flooded, Tubular, Sealed, VRLA) Batteries & Chargers.

### **BORRI POWER (US), INC.**

Industrial UPS's for the Oil and Gas Industry, DC UPS, Rectifiers and Battery Chargers. AC 1 Phase and 3 Phase UPS. Inverters, On-Line Double Conversion UPS. IGBT, PWM Technology.

## ***Other***

### **POWER CONTROL SERVICES (PCS)**

Repair of Industrial Electronic Equipment including Drives, PLC's, Displays, HMI's, Motor Controls and SCR Controls
